Dated:- 2-8-93

OFFICE ORDER

CIRCULAR NO. 405

Engineer-in-Chief, Delhi Water Supply and Sewerage Disposal undertaking has pointed out that they have noticed certain cases of contamination of Water which have taken place because service pipe lines were passing through manholes and sullage drains.

It is, therefore, enjoined upon the entire field staff to ensure that no water connection is sanctioned/boring permission given to any house/premises where service pipe line is laid through manhole/drain. The concerned Engineer-incharge of the area must check the same before giving boring permission and allowing installation of water meter etc.

Any such negligence shall call for disciplinary action against the concerned JE and AE in-charge.

This issues with the approval of E.M.
