dated:- 28.10.93

STANDING INSTRUCTION NO. 410

SUB: Canvassing or bringing political and other influence in matters pertaining to service viz. postings, transfers, promotions etc. (Rule 20 of CCS Conduct Rules, 1964).

Attention is once again invited to the detailed instructions issued on the matter vide letter No:EM3/30)83/AE/11373-88 dated August 4, 1992.

Unfortunately, the experience during the intervening period has shown that these instructions have not been taken seriously enough as some of the officials in the Engineering Wing still continue to bring political and other pressures through telephonic messages as well as letters for their postings to the so called coveted seats. I am, therefore, constrained to reiterate my earlier instructions and to warn that the officers/officials in the Engineering Wing must desist from indulging in such tactics which are in violation of the provisions of rule-20 of the CCS Conduct Rules, 1964 reproduced below:-

"No Govt. servant shall bring or attempt to bring any political or other influence to bear upon any superior authority to further his interests in respect of matters pertaining to his service under the Government."

I would like to make it absolutely clear to all the Engineers that any such attempt at bringing pressures for postings/transfers in future shall result in an adverse entry being made in the confidential dossier of the concerned office official without the necessity of any further explanation. Since the reasons for seeking the so called lucrative postings are obvious, it will also be taken to mean that the integrity of the concerned official/officer is suspect and it will be so recorded in his personal dossier.

I would, however, like to assure at the same time that the genuine representations, submitted in the prescribed manner, would receive the fullest and most sympathetic consideration at all levels and all the genuine grievances would be favourably looked into by the Competent Authority.

All C.Es/Directors must ensure that these instructions are passed on to all the officers up to the level of J.E. by name.

H.B.Sharma

(H.D. SHARMA)
ENGINEER MEMBER

1.

- 1. All C.Es including Design, QC & Elect.
- 2. Director(MM)
