

DELHI DEVELOPMENT AUTHORITY

No. EM1 (10)94/Vol. I/15214

Dated: 25.11.94

CIRCULAR NO. 438

Sub: Construction of huts by the labour of Construction Agency at the construction sites.

.....

This is in continuation to circular No. 401 earlier issued vide No. EM1 (17)83/9147 dated 24.6.93 vide which specific instructions were given to strictly implement the provisions of Clause-6 of PWD-7 & 8 to ensure that all the jhuggies/huts constructed by the contractors at work sites for their labour are completely removed immediately after physical completion of the work.

Notwithstanding the strict compliance of the above mentioned instructions earlier issued, it is, however, enjoined upon all field engineers to explore all probabilities of avoiding the construction or location of labour huts near the work sites as far as possible. Whenever labour huts are pitched, the Engineer-in-Charge will prepare a plan of the area to be occupied by the labour of the Construction Agency reflecting there-upon the number of huts to be constructed. The Engineer-in-Charge would obtain an undertaking from the Construction Agency that the site shall be cleared of the labour huts after the project has been completed. This undertaking must be kept on record by the Engineer-in-Charge. Henceforth, no contract would be finalised till the Engineer-in-Charge certifies that the area occupied by the labour of Construction Agency has been cleared/vacated. The specimens of the undertaking to be obtained from the Construction Agency

contd...2/-

as well as the certificate to be recorded by the  
Engineer in Charge are given in the enclosed Annexure

These instructions must be followed scrupulously.

Encl: As above.

Sub: Construction of huts by the labour of the  
Construction Agency at the construction sites.

.....  
Undertaking by the Construction Agency.

I/We hereby undertake that:-

1. Full site free from any encroachment has been handed over to me/us on \_\_\_\_\_
2. The labour huts \_\_\_\_\_ in nos. pitched/constructed by me/us at site as shown on the site plan duly signed by me/us belong to me/us.

These shall be removed from the site before the completion of the work. In case of failure to do so, the department can get the same removed at my risk & cost.

Sd/-  
Construction Agency

Certificate of Engineer-in-Charge

Certified that the land handed over to the Construction Agency is free of encroachment and all the labour huts pitched/constructed by the Construction Agency have been included in the site plan.
