CIRCULAR No. 244

SUB : Arbitration cases

E.M. has ordered that where the amount of claims of the contractor for arbitration is up to Rs. 2 lacs, the claim shall also be examined by the SEs & are submitted with his comments to E.M. for reference. Where the claims exceed Rs. 2 lacs, the claims of the contractor shall be examined by the CEs also and will be submitted to E.M. with his comments/notes for reference to the arbitrator. It is also necessary that to the extent possible SEs & CEs should decide action within their own financial powers to avoid reference of many of the claims of the contractors to the arbitrator.

The above instruction may be followed by all EEs/SEs/CEs.
