Dt. 13.10.89

CIRCULAR NO. 268

Sub:- Clearance of projects by Export Committee.

The Export Committee was constituted vide Circular No.28 dated 13.7.83 issued by this office stipulating that all projects and housing schemes where building component (excluding services) is more than Rs. 1.0 Crore, would be vetted by the Committee. Accordingly, schemes were discussed and approved with modifications wherever considered necessary during the past years.

It is seen that over the years the cost of projects has been increasing owing to upward trend of cost index. It has, therefore, been decided that henceforth the schemes whose building component costs Rs. 1.5 Crores or more would be discussed by the Export Committee for its approval. However, a scheme, which is of a difficult nature and has special features can be discussed by the Export Committee even if its cost is of the order of Rs.50 lakhs and more.

The constitution of the Export Committee remains the same as stated in Circular No.163 dated 7.11.86 and the instructions issued vide letter No.EM1(10)/12848-59 dated 2.12.87 in which the desirability of participation by members themselves has been emphasised, to make the purpose of the Export Committee meaningful and useful, shall have to be strictly followed.
