All allottees of each pocket shall mandatorily have to become member of the concerned RWA.**

For the purpose of major (capital nature) maintenance, for a period of 10 (ten) years, contribution towards the maintenance fund shall be recovered from the allottees. The Scheme requires that the entire maintenance funds collected would be placed in a corpus as an escrow account and maintenance works (Capital nature) would be undertaken out of the interest earned from the corpus. The fund will be apportioned to the RWAs registered with DDA and will be managed by a Committee in which DDA will be represented by the Executive Engineer of the concerned zone. The civil and electrical maintenance of all the newly constructed flats will be carried only from the interest arising out of the corpus created for maintenance. 3. Day to day maintenance including maintenance of green areas, cleanliness of campus/colony/housing pocket, replacement of light fittings in common areas, maintenance and operation of lifts, payment of electricity bill for common areas etc. will be the responsibility of concerned RWAs
4. However DDA will prepare a panel of maintenance service providers which shall be available to the RWAs to choose a service agency or make its own arrangement to cater to this requirement.
5. For common areas which are common to several housing pockets/ colonies, the responsibility of maintenance will be with urban body, after the area is handed over to the urban body. Till such time that the area is handed over to urban body, maintenance will remain with DDA. While handing over, DDA will clearly mark the area to be maintained by the urban body and area to be maintained by RWAs.

6. Those facilities which are common to more than one RWA like Community Centre, Gyms etc. will be maintained by DDA.
7. RWA will have to maintain a separate fund for day to day maintenance mentioned at (3) above. Therefore maintenance will be dealt in two separate categories i.e. Major (Capital nature) and day to day maintenance.
