---------	-----------	------------	----------------

A photograph of a piece of aged, yellowed paper. On the right side, there is a circular diagram with a vertical line and a horizontal line intersecting at the center. The vertical line extends slightly above and below the circle. To the left of the circle, there is some faint, handwritten text in red ink, which appears to be "10/10/10". The paper shows signs of wear, including creases and discoloration.
