The proposal was considered by the 01<sup>st</sup> Technical Committee in its Meeting held on 22.01.2015 Vide **Item No. 07/2015**:

*"The proposal was presented by Chief Town Planner (SDMC). After detailed deliberation Technical Committee agreed to the proposal for providing stack parking in the layout plan for residential development at Vishwa Vidyalya Metro Station. The minimum height was agreed as 3.6 mt in the basement & stilt. However, the height shall be as per the design and the structural safety requirement. The area per ECS shall be 16 sqmt for calculation purposes as already given in clause 8 (4) of chapter 17- Development Code. Technical Committee has further recommended that the norms for stack parking also be included in the MPD-2021 for which the proposal regarding minimum height of 3.6 mt required for stack parking in the basement & stilt shall be processed under section 11-A of DD Act 1957 for amendment to the Master Plan 2021.*

And again discussed & considered in the 2<sup>nd</sup> Technical Committee vide Item No. 08/2015

*The Minutes of the 1ST Technical Committee meeting held on 22.01.2015 were circulated to all the members. No observation / comments on the Minutes of the Technical Committee meeting dated 22.01.2015 were received. However with respect to Item No. 7/2015 it was decided that the minimum height for stack parking be modified by replacing 3.6mt by 3.2mt in view of the options of minimum height available for stack parking at present. The minutes of the 1st Technical Committee meeting dated 22.01.2015 were confirmed with above modifications.*

Decision of the Technical Committee alongwith the Agenda is placed opposite for further necessary action.
