1 Introduction

- 1.1 The Delhi Development Authority (the “Authority” or “DDA”) was created in 1957 under the provisions of the Delhi Development Act, 1957 "to promote and secure the development of Delhi". The DDA is responsible for planning, development and construction of Housing Projects, Sports facilities, Commercial Lands, Land Management, Land Disposal, Land Pooling Land Costing. With regards to the sports facilities, currently, DDA is operating 19 sports facilities and golf courses across the city, offering a range of sporting activities to the nearby residents.

With this context, DDA is looking for operators to operate and maintain three (3) state-of-the-art sports complexes across Dwarka. The vision is to focus on inclusivity, excellence, sustainability, and long-term development of sports. It aims to establish specialized centers of excellence (CoE) for different sports at selected facilities, providing high-performance training environments for athletes. The sports complex at Sector-8 Dwarka would establish CoE for wrestling, Boxing, Judo, and Karate, Sector 19 would establish CoE for Tennis and shooting, Dwarka Sector-23 for Hockey and Football. This is in line with national goals of improving sports infrastructure and promoting athletic excellence. Delhi Development Authority (the “Authority”) is actively pursuing a license-fee-based model for the operation and maintenance of newly developed sports complexes. (“Project”) for a pre-determined license period.
